ROYAL POOL SUITE, säljs inte under vintersäsongen

The site plan illustrates the layout of Sunwing Sandy Bay Beach. It features a central area with several building clusters, each labeled with a number (2, 3, 4, 5, 6, 7, 8) corresponding to the unit types listed in the legend. The buildings are color-coded to match the unit types: yellow for 1-room family units, orange for 2-room family units, light blue for 2-room family units with accessibility, purple for 3-room family units, pink for 1-room royal lounge suites, and dark blue for 2-room royal lounge suites. A large grey area represents the Royal Pool Suite, which is not for sale during the winter season. Amenities include the Entré, Resort Service, Scen, Lime Bar, Fino Restaurant & Grill, Andrea's Kitchen, Miniland, Fitness, and Spa. There are three pools: a large central pool, a smaller pool to the right, and a third pool near the Miniland. The beach (Strand) is located to the left and bottom right of the main building area. A compass rose indicates North (N), South (S), East (E), and West (W).
